■ Multiple Indie Award Winning “Rooms” Sequel

It takes “Rooms: The Unsolvable Puzzle” and adds 24 new levels, plus a story for the 2P mode exclusive to Nintendo Switch. The original work, “Rooms: The Main Building”, was released globally on Steam, Nintendo DS, and Wii to critical acclaim.

Enjoy the adventure with main character, “Anne” and new character, “George” in the mysterious puzzle rooms.

■ What is “Rooms: The Adventure of Anne & George”?

It’s a unique game where players help Anne escape from the mansion by manipulating the rooms that move like sliding puzzles. Players can find the exit by moving “rooms” that make up the building and using gadgets like machines and furniture.

■ Nintendo Switch Exclusive 2P Mode

We added a 2P mode to the series. Players control “Anne” and “George” using the Joy-Con’s (L) and (R). Move “rooms” and communicate with the other player to make sure you both don’t end up in the same room, otherwise, the bomb inside George will trigger. Clear the stages by meeting the other player at the exit room and witness an ending exclusive to Nintendo Switch™.
